LE PETIT TRAIN DE LA MURE

THE YEAR 2026

AN UNFORGETTABLE JOURNEY

In the south of Isère, in Matheysine territory, 40 min from Grenoble, at an altitude of 900 m in the French Alps, come aboard the La Mure's Little Train for an historic journey in the heart of protected nature.

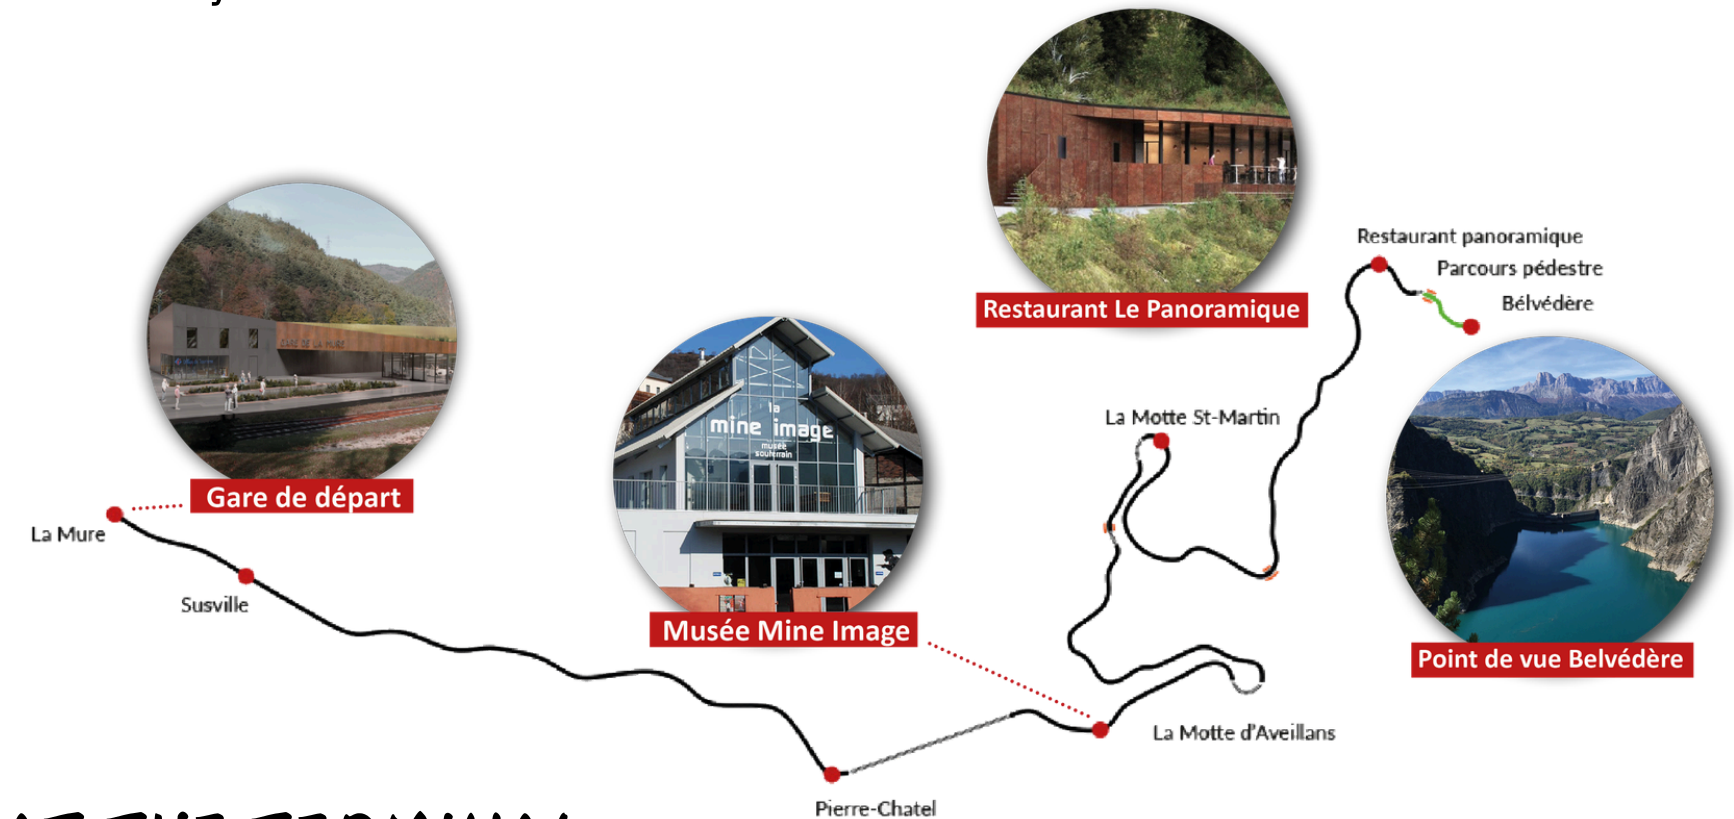

This railroad line, over one hundred and thirty years old, reveals landscapes that will take your breath away! Our vintage trains hauled by 1932-built locomotives take you to the Belvédère du Grand Balcon, overlooking the turquoise waters of the majestic Monteynard dam. Admire one of the most beautiful views in the world!

As a group, put together your own day thanks to numerous a-la-carte activities on offer throughout the region, and enjoy your turnkey trip!

YOUR VISIT

In 50 minutes, the Petit Train travels through 5 communes, 5 tunnels and 3 majestic viaducts to bring you to the terminus, in Monteynard.

AT THE TERMINAL

- 👣 Exceptional panorama of one of France's largest dams.
- 👣 Restaurant le Panoramique
- 👣 Information totems and landscape for reading the landscape.
